FLIP-UP LENS COVER 40.6MM - BK-FC406C - CLAIR

CLEAR

FLIP-UP Lens cover 40.6mm
BK-FC406C

Very easy to use and equipped with an extensible pressure cover to prevent water and dust infiltration. All sizes have a two-colour design (clear or amber). Amber is often used in low-light conditions.

The lens covers fit all lens sizes of Buckner's scope line.

- Legacy
- Evolution
- Patriot (in front of the lens only)
- Crossbow (in front of the lens only)
